During his residence here Mr. Chapman has proved himself a valuable citizen, and has always taken a keen interest in every movement calculated to advance the town and country. As a member of our town council he has proved a very painstaking official, and his deep knowledge of financial matters has been of great assistance to his fellow members. The best wishes of the entire community will follow Mr. and Mrs. Chapman and family to their new home.

VALENS — LASSE

A very pretty wedding was solemnized at the United Church Manse at Lacombe by Rev. R. B. Layton, when on Wednesday, June 17th, at 12 o'clock Ladora Marie, the only daughter of Mr. and Mrs. Fred Lasse of Red Deer was united in marriage to Mr. John Valens, of Lacombe. The bride was attended by Miss Laura Ingles of Red Deer, and the groomsmen by Mr. Neil McLellan, of Lacombe.

The bride looked very charming in a dress of beige georgette with a lace coat and picture hat and carried a bouquet of pink and white carnations. The bridesmaid wore a very pretty blue floral dress with hat to match. The groom's gift to the bride was a white gold wrist watch, and to the bridesmaid a handsome purse, and to the groomsmen a white gold tie pin.

Following the ceremony the wedding party drove to the home of the bride's parents, where a buffet luncheon was served to a number of friends and relatives. The table was centered with a four tier wedding cake.

Among the beautiful gifts received by the bride was a linen table cloth and serviettes from the staff of the T. Eaton Co., at Red Deer, where she has been employed for over two years.

MISSIONARY SOCIETY

On Tuesday afternoon, members of the Lacombe Women's Missionary Society, were hostesses to Auxiliary members from Clive, Elsipalook and Spring Valley. Following a short business meeting, devotional exercises were conducted by Spring Valley members. Mrs. Hainworth gave a splendid talk, taking as her theme the mountain top contacts with Jesus which provide a new set of ideals. Mrs. Randall led in prayer for the youth of our land and for the leaders in these times of strife and difficulty. Mrs. Rainforth of Elsipalook spoke of the Mission Schools at Redway Centre and Smoky Lake. Evelyn Chase, the pioneer Mission worker there. Temperance Missionary work was most enthusiastically spoken of by Mrs. Coote, of Clive pointing out the extreme importance of this department, both in home and foreign fields. A solo by Mrs. John MacDonald, Lacombe was much enjoyed. At the close of the meeting refreshments were served by the Lacombe members and a social hour spent.

FOOTBALL GAME

On Tuesday evening the best game of the season was played on the Lacombe Football Grounds. With a little more luck Lacombe would have emerged victorious. The absence of Schoeff, one of Wetsaskiw's best players may account for the fact that at half time the score was one goal to nil in our favor. John McTeachie had to act quickly to score from a pass from Shaw his wingmate. One of the features of the game was the heavy kicking of the full-backs, which rather showed up the fact that the field is underworked. The large number of onlookers was a matter for gratification.

On Saturday, June 20th, Lacombe plays a home game against Ponoka when perhaps Lacombe's efforts will be more successful.

"NOT EXACTLY GENTLEMEN"

Opening of the Indian lands in the Dakotas for settlement by the whites is the epochal highlight of the Fox Movietone production, "Not Exactly Gentlemen", which features Victor McLaglen and Fay Wray and directed by Benjamin Stoloff, opening today at the Avalon Theatre.

"Not Exactly Gentlemen" is based on one of the most romantic periods in American history, following soon after the Civil War and it is likewise a gripping story of the struggle of two youthful lovers played by Fay Wray and David Worth, for land.

Historically accurate portraits of three bad hombres of that period are played by Victor McLaglen, Lew Cody and Eddie Gribbon.

Loveable outlaws they might well be called for though they are killers with a price on their heads, they prove to be the guides and protectors of the youthful lovers.

See this wonder picture tonight or attend any of the programs. Comedy, Laurel and Hardy in "Another Fine Mess", "Coming". The most important picture ever produced "The Big Trail", June 25, 26, 27. "Sea Wolf", July 2, 3 and 4.

CLIVE NEWS

The week-end baseball game between Wetsaskiw and the local team played a very close game, but superior batting and double checking resulted in a victory for the home boys of 6 to 4.

The District of Alexander L.O.L. met here on Monday night, June 15.

with a good representation from Ponoka, and Lacombe attendance included: Prev. Organizer David White, Calgary; Dist. Officers White and Buchanan of Ponoka, Dist. Dep. Master Rev. L. N. Hughes, owing to his removal tendering his resignation with regret. A social hour followed the meeting which all enjoyed.

Tuesday evening June 16 was the scene of a special rally of Oddfellows on their regular night, at which a social hour was spent to which wives and friends were invited. After the usual routine of business in which the Lodge sponsored the cause of a poor family by sending a generous hamper of provisions, the business session was closed and a sociable hour or two was indulged in. Community singing, addresses by Dist. Dep. Bro. C. E. Todd, of Lacombe and Mrs. T. Cunningham, of Tees, who both in very neat, earnest speeches heartily commended the Locombe Lodge as a Sister Branch of the I.O.O.F.

After a dainty lunch was served, Robt. Blackie, Degree Captain in very beautifully couched language presented Bro. L. N. Hughes with an emblematic gold three-linked pin as a token of mutual fellowship from all the brethren. Mr. Hughes is leaving for Kitchikow where he has been called to preach. Mr. Hughes responded in his usual happy manner, deeply thanking, however, leaving such a congenial group of loyal members and thanking the lodge for the earnest words of appreciation.

LACOMBE

THE TEACHER SPEAKS FOR HIMSELF
When the provincial department announced its intention of throwing the entire responsibility of Grade VIII and Grade IX promotions upon the teacher, The Globe criticized the policy severely. Other Alberta papers gave voice to similar sentiments. Dr. A. M. Scott, superintendent of Calgary public schools, expressed unqualified disapproval. It was generally admitted that examinations were an unfortunate method of judging pupils' achievement but that promotion by the teacher would, under some circumstances, be the ideal method. But it was pointed out that this decree of the department placed the teacher in the red school at the mercy of an often, unrepresentative school board. Now the teachers of Alberta have expressed their opinion through their own organ, the A.T.A. Magazine. They are not—as some might anticipate—overjoyed at getting away from the domination of examinations. They are thinking of the poor lone teacher who has to face his conscience and his school board and make some sort of compromise between the two. The A.T.A. does not mince words: "The central problem is security of tenure for the teacher and we can declare unhesitatingly that teachers are now placed in an impossible position. If they insist on honesty in promotions (and the exception will prove the rule that they will) they are in for abundance of trouble. Imagine one lone teacher placing the hundred and forty or fifty pound average pupil to Grade VIII or Grade IX by the school board at Pumpkin Fire!" Let there be no hypocritical pretence to the contrary. Thus, if we are honest teachers and possess the courage that ought to be divided between the department and ourselves, a debacle is in store for teachers, and therefore education. If the worst comes to the worst and any significant number of teachers not possessing such vast store of courage, prove dishonest, the promotions will be in danger of developing into a farce or a falsehood—another disaster for education. In the meantime it is to be expected that there will be a series of delightful homilies on the necessity of strict honesty and professional dignity in doing the promoting! The teacher will be reminded by all and sundry that he will lose reputation and cause if he promotes too freely. "Rather lose your job than lose caste."

TWO ARE KILLED AS SAINT JOHN PLANE CRASHES
Saint John, N.B., June 15.—Two men were killed and one injured when a biplane crashed on rocks on the Kennebecas River Sunday night near Saint John airport. John "Scotty" Sterling, pilot of West Saint John, and his mechanic, Rud Brayley, of Saint John, were killed. The plane, belonging to the local air club, was wrecked. It came down in a nose-dive from a height of 3,000 feet.

LAST OF MURDERERS CAPTURED
Halifax, N.S., June 15.—James Edward Cassidy, 19-year-old native of Nova Scotia, was arrested Sunday by provincial police in Truro, N.S., for the murder of Ernest Midwinter, Calgary taxi driver. Cassidy, police claim, was one of four men implicated in the Midwinter killing.

Eureka Lodge will meet for Public Worship in St. Andrew's United Church, on Sunday evening in full regalia.

DROWNS IN GULL LAKE

Leaving her crippled husband helpless on the shore, Mrs. Elizabeth Goodwin, 42, of Calgary, walked into the water on the north shore of Gull Lake, two miles from Aspen Beach about 4 p.m. Sunday and drowned herself. Residents at the lake and police commenced dragging operations and shortly after 7 p.m. the body was recovered in five feet of water.

Mrs. Goodwin, who for some time has been undergoing treatment at the Ponoka mental hospital, was taken by her husband to the lake for a week-end outing. After watching some ducks on the shore, the couple wandered down close to the water. Mrs. Goodwin started out on a small promontory and vaded into the water. Her husband called her, but she did not stop. He attempted to give chase, but being handicapped bodily, was unable to make up several yards' start she had on him, and saw her stumble and disappear beneath the waters of the lake. Goodwin immediately went for assistance, but by the time the boats arrived back, no trace of the woman could be found. He told the police that he had last seen his wife stumble or throw herself into two and a half feet of water, and that he had not waited, but rushed straightway for help.

Sergeant Holmes, of the A.P.P. at Red Deer, was called and aided by several campers commenced searching for the body, which was located in about five feet of water. Dr. Sharp, coroner of Lacombe, was called, but considered that an inquest was unnecessary as the woman is believed to have taken her life while mentally unbalanced.

Mrs. Goodwin is survived by her husband, Harry E. Goodwin, one daughter aged 12, and one son aged 11. The two children are attending school in Calgary.

Sergeant Holmes wishes to thank the residents of Gull Lake for the great help given in the search for the unfortunate lady.

Mrs. James Dey, Calgary; Miss Mary, of Lacombe and one son, John, of Granum, Alta.
